

Registration

Registration is required for all workshops. Project designs and custom details for your project are required at the time of booking on the registration form. Please be sure to double check spelling and information to ensure your project stencil and materials will be ready for you at the start of class.

Workshop Cancellation Policy

Due to the custom nature of our workshops, registration fees are non-refundable. Registration cancellations made at least 48 hours in advance of a workshop will be granted a class credit for a future workshop.

Private Party Cancellation Policy

A deposit is due when booking a private party. We currently require a minimum of **SIX** participants for a private party. Once the minimum number of participants is met, we will refund your initial deposit or apply it to the cost of the workshop. If you are unable to meet the minimum prior to the workshop, the deposit will be forfeited. Cancellations will be accepted up to two weeks before the private party. If canceled after the two-week minimum the deposit will not be refunded due to the nature of our studio and the demand for private party times on our calendar.

We require all private party attendees to register and provide complete customization information for their project at least 72 hours in advance so we can prepare the materials for your party.

Project Change Request

If you would like to make changes to your project within 48 hours of your workshop, we would be happy to accommodate your request for a \$10 stencil recut fee, payable upon the start of your workshop. Changes made prior to 48 hours are done free of charge. For either change, please just send your request to Paint@mbscreativebrush.com

Age Restriction

Due to the tools used, stain, paint, and other potentially unpleasant cleaning situations, infants and children under the age of 16 are not permitted on the premises while workshops are being held. If a participant brings an infant or child, they will be asked to rebook for a different workshop when they can attend 'child' free and enjoy the experience fully.

We do offer special kid-friendly workshops for children under the age of 16! Please contact me for more information. Paint@mbscreativebrush.com

Photo Release

We love pictures, videos, paintings, lithographs and other ways of capturing people's likeness. Please be advised that participation in our workshop means we may take your picture and use it for multiple social media websites, print advertising, and other promotional needs of Mb's Creative Brush.
